

HOTEL STANFORD

Best Experience!

Hotel Stanford group is a collection of family-owned and operated boutique hotels, each with its own unique style and exciting location. A distinguished vision of old world charm and contemporary convenience, the Hotel Stanford group strives to establish an internationally recognized brand for its affordability and captivating hospitality rooted in the values of the Orient.

Founded in 1986, Hotel Stanford Group is a rapidly growing company, which began with a commitment to delivering friendly personalized service, complimentary amenities, and economical comfort without compromising on quality. The company began its mission with the opening of its flagship property in the 'one and only' boutique hotel in New York City.

Hotel Stanford breaks the mold of large chain-hotels by offering an enchanting cross-cultural experience and by developing a covetable reputation for introducing a combined heritage of genuine service with personal touches for reasonable prices.
